VELOLOG

About Us

At Velolog, we believe logistics isn't just about moving goods it's about connecting people, businesses, and dreams. Every shipment carries a story: a promise to a customer, an opportunity for a business, a lifeline for a family. We make sure those stories reach their destination safely, on time, and with care.

Our team works tirelessly to ensure every parcel, container, and delivery arrives intact and on schedule. With Velalog, your success is our priority

VELOLOG

Mission

To move not just cargo, but confidence and trust, mile after mile. We exist to make every delivery a promise fulfilled, ensuring that what matters to you arrives safely, securely, and on time. Our mission is to provide seamless, reliable logistics solutions that empower businesses and individuals alike. Logistics should never be a burden, it should enable growth and keep businesses moving without limits.

Vision

To build a world where distance is never a barrier to opportunity. We strive to connect people, businesses, and communities by creating seamless pathways across borders and beyond limits. Velalog envisions a future where logistics bridges gaps, strengthens relationships, and unlocks new possibilities for everyone, everywhere.

VELOLOG

Our Services

VELOLOG

Air Freight

When speed matters most, our air freight services deliver. We offer fast, reliable, and secure air cargo solutions for urgent and high-value shipments across the globe. With a network of trusted airline partners and real-time tracking, we ensure efficient handling, smooth customs clearance, and on-time delivery every time. Whether it's express, consolidated, or charter services, we tailor solutions to meet your timelines and budget.

VELOLOG

Sea Freight

Our sea freight services provide cost-effective and dependable solutions for global cargo movement. Whether it's full container loads (FCL) or less-than-container loads (LCL), we ensure smooth handling, competitive rates, and efficient transit times. With a strong network of carriers and global partners, we manage everything from port-to-port to door-to-door delivery ensuring your shipments reach their destination safely and on schedule.

Beyond *limits*

VELOLOG

Customs Clearance

Cutting through complexity, so your goods don't wait at borders, ensuring that goods meet all regulatory requirements for entry or exit across borders. Our experienced team handles all documentation, duties, and compliance checks to ensure smooth and timely clearance. From import/export declarations to tariff classifications, we streamline the process, minimize delays, and keep your shipments moving without hassle.

VELOLOG

Transportation

Our road transportation services offer flexible, reliable, and cost-effective solutions for domestic and cross-border freight. With a modern fleet and experienced drivers, we ensure safe and timely delivery of goods—from full truckloads (FTL) to less-than-truckload (LTL) shipments. Whether it's short-haul or long-distance, we provide end-to-end visibility and dependable service every step of the way.

VELOLOG

Door-to-Door Cargo

Our door-to-door cargo service offers a complete logistics solution—from pickup at the sender's location to final delivery at the destination. We handle every step, including packing, transport, customs clearance, and final drop-off, ensuring a seamless experience. Ideal for both personal and commercial shipments, this service saves time, reduces hassle, and provides end-to-end visibility and peace of mind.

VELOLOG

Relocation

Our relocation services are designed to make moving seamless, stress-free, and efficient—whether local, regional, or international. We handle everything from packing and transportation to customs clearance and final setup at your new destination. With a dedicated team and careful planning, we ensure your belongings are transported safely and delivered on time. Ideal for individuals, families, and corporate clients, our door-to-door solutions are tailored to meet your specific relocation needs.

VELOLOG

GCC Transportation

We offer seamless transportation solutions across all GCC countries, supported by a diverse and specialized fleet to handle a wide range of cargo requirements. Our capabilities include lowbed and hydraulic lowbed trailers for heavy and oversized machinery, flatbed trucks for general and construction cargo, and small Dynas for light and local deliveries. This versatility allows us to provide customized transport solutions—whether for industrial projects, commercial goods, or time-sensitive shipments. With strong regional expertise, real-time tracking, and full regulatory compliance, we ensure efficient and secure delivery throughout the Gulf region.

VELOLOG

Beyond *limits*

Project Cargo

Our experienced team manages the complete logistics chain with precision, offering customized solutions to meet each project's unique cargo specifications, deadlines, and site conditions that include route planning and feasibility studies, heavy-lift and over-dimensional cargo handling, multimodal transportation (sea, air, and land), port handling and customs clearance, and on-site delivery with dedicated project management.

VELOLOG

Heavy Transportation

Our heavy lifting services are designed to handle oversized, over-dimensional, and high-weight cargo with precision and safety. Using specialized equipment and expert planning, we manage the secure loading, transport, and unloading of heavy machinery, industrial components, and project cargo. From route surveys to on-site coordination, we ensure compliance and efficiency at every stage of the operation.

VELOLOG

Industrial Packing & Moving

Our industrial packing and moving services are tailored for the safe handling and transportation of heavy machinery, equipment, and high-value industrial assets. We use specialized packing materials, techniques, and lifting equipment to ensure maximum protection during loading, transit, and unloading. From dismantling and secure packaging to transportation and reassembly at the destination, our expert team ensures every step is executed with precision, safety, and efficiency. Ideal for factories, warehouses, and large-scale industrial relocations.

Break Bulk

Break Bulk cargo involves the transportation of large, heavy, or oversized goods that cannot be containerized. Our break bulk services specialize in handling, loading, and shipping individual pieces such as machinery, steel coils, construction materials, and project cargo. With expert planning and coordination, we ensure safe and efficient movement of these unique shipments by sea, road, or rail, providing tailored solutions to meet your project requirements.

VELOLOG

Beyond *limits*

Warehousing & Distribution

We offer secure and scalable warehousing solutions designed to optimize your supply chain. Our facilities are equipped with advanced inventory management systems, ensuring accurate stock control and efficient order fulfillment. From storage to picking, packing, and distribution, we provide end-to-end services tailored to meet the unique demands of your business. Whether you require short-term storage or long-term solutions, our strategic locations and reliable transport network guarantee timely delivery and seamless distribution.

VELOLOG

Terminal Handling

We operate our own terminal in Dammam, strategically located near the seaport area in the Kingdom of Saudi Arabia. Spanning 80,000 square metres, our terminal is fully fenced, securely guarded, and designed to meet diverse customer requirements. Equipped with modern material handling equipment and managed by experienced professionals, we ensure the efficient loading, unloading, storage, and transfer of cargo. Our focus is on delivering high-quality, reliable terminal services that minimize delays and maximize operational efficiency for our clients.

VELOLOG

Custom Shipping Solutions

Our Custom Shipping Solutions are designed to handle sensitive, high-value, and non-standard cargo with the utmost care and precision. Whether you're transporting luxury vehicles, live animals, delicate plants, or fragile items, we offer tailored logistics plans that prioritize safety, compliance, and timely delivery. Each shipment is managed by trained specialists using the appropriate packaging, climate control, and handling procedures to ensure optimal conditions throughout the journey. From pick-up to final delivery, we provide door-to-door services with full visibility and peace of mind.
